

SHOWER GLASS

Get in touch with us early in the planning of your project so we can assist you with your design ideas and ensure your framed or frameless shower screen is a perfect fit.

COASTAL GLAZIERS

Why Coastal Glaziers

We measure, quote and install safe & reliable shower screens which will last a lifetime.

From design to manufacturing to installation we will accommodate to your needs.

Safe & Reliable. Easy and Efficient.

The Most Affordable Price - Seamless And Modern

Frameless or Framed or Semi-frameless

Fully framed shower glass, is generally 4-6mil thick and is framed with aluminium encasing the glass.

Frameless showers offer 10 & 12 mil Australian toughened glass and offers the cleanest look, completing the glass to edge of the frame.

Semi-frameless is an intermediate option for your bathroom if frameless isn't right for you.
